## LEARN ABOUT BUILD NYC

BUILD is dedicated to creating a more diverse future workforce by ensuring that students in under-resourced communities have access to the mentorship, hands-on training, and experiences they will need to graduate from high school, attend college, and launch successful careers.

Starting in 9th grade, BUILD students work with their peers, teachers, and coaches to develop business ideas, pitch for seed funding, and launch real businesses. BUILD's unique program offers our youth a four-year entrepreneurship immersion that helps them develop the confidence, skills, and social capital to become the CEOs of their own lives.

# INVEST IN OUR YOUTH BECOME A BUILD NYC SPONSOR
